

Iran Biggest Digitalized Businesses Event

The first global e-commerce forum was an opportunity where executives, professionals, and entrepreneurs became fully acquainted with the latest scientific and applied approaches in various areas of e-commerce, business, and the challenges of this area. This international event was held on October 20, 2017 in the main hall of IRIB International Conference Center by the International Forum of Electronic Commerce.

Participants in this forum include entrepreneurs and e-commerce activists, founders and activists in the field of startups, e-commerce companies, business executives, managers of all institutions and policy makers in the field of modern technologies, Professors and researchers, and ultimately students and enthusiasts in the field.

One of the goals of the first World E-Commerce Forum was to explore the future of national and international technology science with a focus on actual and potential capacities, providing an opportunity for managers, professionals and entrepreneurs to come up with the latest scientific and applied approaches in Different areas of e-commerce, business and to get familiar with and understand the challenges of this area.

Various people from government agencies, such as the Ministry of Communications and Information Technology, the E-Commerce Development Center, Feta Police, the CEOs of FastClick and Payment24 spoke in the event.

Mr. Mohammad Rahmani, Managing Director of the Bayan Emrooz Law Firm, participated in the forum on behalf of the Firm, and exchanged views and discussions with other participants.
